CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Beatrice Gwion has been a registered childcare provider since February of 2017. Beatrice is currently a category "A" Child Development Home Provider. This allows her to have 8 preschool children with an additional 4 school aged children at one time for a total of 12 children in care for up to 2 hours. If there are more than 8 children in care for over 2 hours a DHHS approved assistant needs to be present. Beatrice does not have a substitute or assistant for her program at this time. Beatrice currently does not have any families on her roster. There are no pets in the Child Development Home.

2. Identify Observed Strengths Of The Program

Beatrice's home is clean, sanitary, and appropriate for childcare. Beatrice has completed her required trainings as reviewed by the Registration Unit. Beatrice has completed Safe Sleep training; this worker reviewed the policy with her and gave her an informational flyer. Beatrice will implement the practice when she has children 12 months or younger in her care. Beatrice uses redirection as her primary behavioral intervention when needed. Corporal punishment is not practiced in the Child Development Home. Children in Beatrice's care will receive regular meals and snacks as appropriate.

3. Identify The Aspects That Fall Below The Standard

110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.

1. A DHHS Medical Physical Form needs to be completed every 3 years and in your provider file. This worker left a blank form for you to take to your medical provider.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

None.

5. Special Notes/recommendations

I encourage you to work with your Child Resource and Referral Worker (Heather Sheesley 515-360-7308) with any compliance or training efforts.

The Emergency Preparedness Plan meets Targeted Expectations.

The above correction needs to be completed by 10/20/20 and will be reviewed on your next annual compliance check.
