## CHILD CARE ANNUAL EVALUATION

**1. Basic Overview**

Sarah Stokes is a CDH Category B provider, living in Des Moines. She has been a registered daycare provider since 2015. Sarah lives in a one story apartment and uses the whole house for her child care operation. Sarah provides care from 7am to 7 pm.

**2. Identify Observed Strengths Of The Program**

Sarah Stokes was organized for our compliance check. At the time of my compliance visit, one child was present, age 5 years old. Sarah currently has 5 children enrolled in her program. Sarah participates in the food program. Sarah said they daycare children like to play with toys, do arts and crafts, excersie and go to the neigborhood park. We reviewed all safe sleep regulations. At this time Sarah does not have a pack and play or crib and would need one before an infant started care. Sarah uses timeouts for discipline.

**3. Identify The Aspects That Fall Below The Standard**

110.9 (4) d : For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.
For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian or admission physical examination that is not more than 12 months from the child's first day.
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of statement of health or admission physical.

**4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance**

1. Please review all child files and make sure they have updated physicals and immunization records. Physicals need updated yearly.

**5. Special Notes/recommendations**
