Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home C conducted on 05/23/2024. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.9 Files

441 IAC 110.9(1) A provider file is maintained and shall contain the following:

441 IAC 110.9(1)“ a” A physician's examination report for the provider and all members of the provider's household aged 18 years or older. Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. All children residing in the household must have medical documentation outlined in 110.9(4) “d”, 110.9(4) “f”, and 110.9(4) “g”

441 IAC 110.9(4) Children's Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:

- a. Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.
- b. Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child's regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
- c. A signed medical consent from the parent authorizing emergency treatment.
- d. An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician
 - 1. The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home.
 - 2. The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.
 - 3. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.
 - 4. The examination report or statement of health status shall be on file before the child's first day of care
- e. For children under the age of 6, a statement of health condition signed by a physician

or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.

f. For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.

g. A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.

h. For any child with allergies, a written emergency plan in the case of an allergic reaction. A copy of this information shall accompany the child if the child leaves the premises.

i. Documentation that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.

j. Written permission from the parent for the child to attend activities away from the child development home.**k.** Injury report forms documenting injuries requiring first aid or medical care

l. If the child meets the definition of homelessness as defined by section 725(2) of the McKinney-Vento Homeless Education Assistance Act, the family shall receive a 60-day grace period to obtain medical documentation.

Findings:

441 IAC 110.9(1)"a" A physician's examination report for the provider and all members of the provider's household aged 18 years or older.

****One adult household member who is also a possible substitute did not have a physical on file.**

441 IAC 110.9(4) Children's Files.

For children under the age of 6, a statement of health condition signed by a physician or designee submitted annually from the date of the admission physical.

****Compliance staff randomly picked four files of children in care on this date. One of these files did not have updated physicals for two children in the family. The last time the provider received physicals on either child was in 2022.**

Suggestions/Recommendations:

If you have any questions regarding this letter, please contact compliance staff.

Your CCR&R representative is Michelle Greenough. Her contact number is 515-802-8022.

Corrective Action Required:

In regards to the needed physical for your household member, please get this completed by July 23, 2024 and have a copy in the file for compliance staff to view at your next compliance visit.

In regards to the needed updated physicals for the children in your childcare, please work with the family to get updates as soon as they are able to be seen by their physician. Please have this information updated and available for compliance staff to view at your next compliance check.
