2. relocation to a common, safe location after the evacuation

4. lock down protocol to protect children and providers from an external situation
5. communication plan and plans for reunification with families
6. continuity of operations plans
7. Procedures to address the needs of individual children, including those with functional or access needs

441 IAC 110.9 Files

441 IAC 110.9(1) **A provider file is maintained and shall contain the following:**

441 IAC 110.9(1)" a" A physician's examination report for the provider and all members of the provider's household aged 18 years or older. All children residing in the household must have medical documentation outlined in 110.9(4) "d", 110.9(4) "f", and 110.9(4) "g"

Findings:
