I. IF CURRENT LICENSE IS PROVISIONAL, IDENTIFY THE CORRECTIVE ACTIONS

II. IDENTIFY THE AREAS OBSERVED ON THE VISIT:

Visited the center on 11-14-22 and spoke with Morgan Swier-co-director now director as Sherry Lange, co- director had resigned. Ms. Swier has thirteen years of experience working with children and a degree in Elementary Education. Wee Blessing Preschool is located in the First Reformed Church in Orange City. They hold two classes each day: Monday, Wednesday 8:15am to 11:00am and 12:30pm to 3:00pm and on Friday 8:15am to 11:00am for four year olds. Mornings only on T-Th 8:15am to 11:00am for three year olds.

There are 45 children enrolled in the program(16 - 4 year olds, in the am and 13 - 4 year old in the pm. There are 16 in the am for 3 year olds.) Given the current corona-virus pandemic, time was spent on discussing how the center is managing. The center is following all guidelines put forth by DHS regarding the corona-virus and doing everything they can to support their staff and families. The center has been cleaning toys daily that children use. Sufficient amount of toys and equipment for the number of children. Daily schedule of activities was posted. Displayed throughout the room were colors, shapes, picture schedule for the children, job chart, children's artwork and the alphabet. Observed staff assisting children with a variety of activities, talking to the children throughout the visit, leading the children in exercise, reminding the children about rules, and engaging the children in activities. The center utilizes Christian Based Curriculum. The center has security system to the doors to where parents can come in with a fob or staff let them in the door.

Refrigerator is clean. Nutritious snacks are brought by parents each day. Program does have snacks on hand in case parents forget to send and are stored properly. Center gives parents a list of approved snacks that they can bring. The center follows the CACFP guidelines for nutrition. Center does not administer medication. Tables are sanitized prior to children eating. Observed good hand washing procedures by staff and children. First aid kit is sufficient to treat minor injuries. Fire/tornado drills are documented each month. Radon test. Annual heating inspection was not available. Good sanitary procedures are followed. Center has a functioning carbon monoxide detector. All program areas were observed to be clean and well maintained. Good health and safety policies /procedures are in place.

Center Playground
None

Center Transportation Arrangements/Field Trips
The church bus is utilized for field trips (pumpkin patch, various places in town). Parent permission forms are completed for children who leave the center for field trips. They have not done any field trips in the last couple years, except maybe to go on a walk.

Goals of the center is to provide assistance to the children in learning to be independent and social skills as well as being ready for Kindergarten. Get on IQ4K program

Strengths of the program is that staff have a good relationship with the children and parents they serve and have a strong support from their board members.

III. IDENTIFY THE OBSERVED STRENGTHS OF THE CENTER:

Center has staff who are experienced and have education working with children. Good communication with staff and parents. Active board who reinforces staff for retention.

Center sends home a newsletter each week to keep parents aware of what is going on in the program.

Center has parent/teacher conferences once a year in February or March but does a progress report in the fall and spring to inform parents of their child's progress and what they need to work on.

Center has a Facebook page for parents. Only parents can access this page.

Children's toys are at their level and accessible.

The classroom is well organized.

Display children's art work in the room.

Picture schedule of daily activities for the children

IV. IDENTIFY THE ASPECTS OF OPERATION THAT FALL BELOW THE STANDARDS REVIEWED:

109.11(7)c: All centers: Annual inspection prior to heating season of all fuel-burning appliances to reduce risk of carbon monoxide poisoning and shall install one carbon monoxide detector on each floor that conforms to UL Standard 2034.

V. SPECIAL NOTES/RECOMMENDATIONS:

Center follows the MOCFV school calendar and weather for any school cancellations or early outs.

Referral made to CCRR regarding IQ4K program and DHS Licensing Rules and DHS Notebook was sent to Morgan as a tool for her as she is now the only director.

A full license is recommended at this time.

At least one visit will be made to the center during the next year.
