CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Katrina is a category C2 provider who has been registered since 2010. Her husband Josh is her co-provider. She provides care in the lower level of the home. There is a large fenced-in back yard. The family has several dogs that are kept separate from the children. Katrina participates in the food program.

2. Identify Observed Strengths Of The Program

Katrina's home is clean and well-maintained She has a child led play program. There is a large amount of developmental toys for various ages available. The children also get to participate in crafts. There is playground equipment in back yard that is fairly well maintained.

3. Identify The Aspects That Fall Below The Standard

110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.

Documentation of a recent physical examination is needed for the co-provider

110.9 (4) d : For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
110.9 (4) g : A signed and dated immunization certificate provided by the state Department of Public Health.

One of the children whose file was read today needs an updated physical examination and immunization record. -+
