CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Susette Tracy is a CDH Category B provider, living in West Des Moines. She has been a registered daycare provider since 2015. Susette lives in a ranch style house but uses the main floor for her child care operation.

2. Identify Observed Strengths Of The Program

Susette Tracy was organized for our compliance check. At the time of my compliance visit, Susette had 3 daycare children present, ages
8 1/2 months to 2 years old. She was able to locate trainings for me and provide care all of the daycare children. Susette said the daycare children like to play with toys, arts and crafts, have dance parties and go on walks. Susette uses timeouts and redirection for discipline. Susette said the daycare children like to go on walks and play on her back deck. We reviewed all safe sleep regulations. Susette has cribs for infants to sleep in.

3. Identify The Aspects That Fall Below The Standard
