Suggestions/Recommendations:

A re-check is not needed at this time. Corrections need to be made by 9/18/24 and will be reviewed at the next annual compliance check.

I encourage you to work with Ashley Cram from Child Care Resource and Referral with any ongoing compliance or training needs.

Ashley can be reached at (563) 362-8224.

Thank you for your service in providing childcare in your community.

Corrective Action Required:

Paula needs to ensure that all medicines and poisonous, toxic, or otherwise unsafe materials shall be secured from access by a child. She did pull them out from under the sink while I was present to move them to a higher location.

Paula's husband needs an updated physician's exam.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 319-429-0749 or cweber@dhs.state.ia.us if you have any questions regarding this letter.
