Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.9 Files

441 IAC 110.9(1) **A provider file is maintained and shall contain the following:**

During each two year registration period, the provider shall receive a minimum of 24 hours of training from approved content areas. A provider shall not use a specific training or class to meet minimum continuing education requirements more than one time every five years

A provider who submits documentation from a child care resource and referral agency that the provider has completed the Iowa Program for Infant/Toddler Care (IA PITC), ChildNet, or Beyond Business Basics training series may use those hours to fulfill a maximum of two years' training requirements, not including first-aid and mandatory reporter training

441 IAC 110.9(2) An individual file is maintained for each staff assistant and contains:

3. Certification of two hours of approved training related to identification and reporting of child abuse as required by Iowa Code section 232.69 within 3 months of employment.

Findings:

Per the compliance visit this worker completed on 3-24-2023 the following corrections described in the above policy sections need to be completed:
1. Provider file needs to have copies of Mandatory Reporting and CPR Certificates of Completion readily available.
2. Assistant file needs to have copies of Mandatory Reporting and CPR Certificates of Completion readily available.

Suggestions/Recommendations:

I encourage you to work with your Child Care Resource and Referral Worker (Karen Lauer (641) 820-1922) to complete the above corrections and any other compliance or training efforts.

Corrective Action Required:

The above corrections need to be completed by 5/26/2023 and will be checked on your next compliance visit.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.
