1. Basic Overview

Nicole Sanders is a CDH Category B provider, living in Des Moines. She has been a registered daycare provider since 2019. Nicole has one approved child care assistant. Nicole lives in a 2 story house but uses the main floor for her child care operation. Nicole provides care to children of all ages.

2. Identify Observed Strengths Of The Program

Nicole Sanders was able to meet the needs of the daycare children and interact with me during our compliance check. Nicole said she uses time outs for discipline. Nicole said the children play out front or in the neighborhood park. She said the children like to play with toys, legos, do arts and crafts, work on their ABC's and 123's. She likes to get the daycare

children ready for preschool. Nicole provides 24 hour care but is currently not watching any children overnight.

3. Identify The Aspects That Fall Below The Standard

Number for each child's parent, a person who can be reached when the parent cannot and child's physician is written on paper and readily accessible by the working telephone.
Fire and tornado drills are practiced monthly and documentation kept on file for the current year and previous year.
110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.
110.9 (2) b : Within six months of approval, a Physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, which is repeated at least every three years.
110.9 (2) c : Certification of two hours of approved training relating to identification and reporting of child abuse within six months of employment.
110.9(4) : An individual file is maintained for each child and updated annually or when there are changes. Each file contains:
110.9 (4) a : Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.
110.9 (4) b : Emergency information including where the parent can be reached, the name, street address, city, and telephone of the child's regular doctor, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
110.9 (4) c : A signed medical consent from the parent authorizing emergency treatment.
110.9 (4) d : For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.
For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian or admission physical examination that is not more than 12 months from the child's first day.
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of statement of health or admission physical.
110.9 (4) f : For each school-age child, record of a physical exam completed at the time of school enrollment or since.
110.9 (4) g : A signed and dated immunization certificate provided by the state Department of Public Health.
110.9 (4) i : Documentation signed by the parent which names persons authorized to pick up the child, their telephone number, and relationship to the child.
110.9 (4) j : Written permission from the parent(s) for their child to attend activities away from the child development home.
110.9 (4) k : Injury report forms to document injuries requiring first aid or medical care.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

1. Please write out all emergency contact information for each daycare child. This needs to be posted in your daycare area.
2. Fire and tornado drills need practiced monthly. Record of these drills need kept for inspection purposes.
3. Your assistants mandatory reporter training has expired. CCR&R can help find trainings.
4. Please review all daycare children files to ensure they have the required documentations- emergency contact information, pick up and drop off information, emergency medical consent, current physical and immunization records. Physicals need updated yearly.

5. Special Notes/recommendations

I encourage you to continue working with Brittany from Child Care Resource and Referral for any ongoing compliance or training needs.
