1. Basic Overview

Mary Mabiah is a CDH Category A provider, living in Des Moines. She has been a registered daycare provider since 2019. Mary Mabiah lives in a 2 story house. She uses the basement area for her childcare operation. Mary Mabiah speaks English and Liberian.

2. Identify Observed Strengths Of The Program

Mary Mabiah had one child present during my compliance visit, a 2 year old Mary Mabiah said she watched school agers after school each day and 2 children do overnight care, 3 times a week. Mary has large fenced in backyard for daycare children to play in. Mary said she uses redirection for discipline. Mary said the daycare children like to play with toys. We

CHILD CARE ANNUAL EVALUATION

reviewed all safe sleep regulations. Mary Mabiah has a crib for infants to sleep in.

3. Identify The Aspects That Fall Below The Standard

Number for each child's parent, a person who can be reached when the parent cannot and child's physician is written on paper and readily accessible by the working telephone.
Each smoke detector is tested monthly, and a record is kept for inspection purposes.
Fire and tornado drills are practiced monthly and documentation kept on file for the current year and previous year.
110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.
Within six months of becoming registered, children 18 years of age or younger residing in the household must have:Admission physical exam report.Immunization certificate.For school age: Documentation of physical exam completed at time of school enrollment or since that time.
110.9 (4) a : Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.
110.9 (4) b : Emergency information including where the parent can be reached, the name, street address, city, and telephone of the child's regular doctor, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
110.9 (4) c : A signed medical consent from the parent authorizing emergency treatment.
110.9 (4) d : For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.
For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian or admission physical examination that is not more than 12 months from the child's first day.
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of statement of health or admission physical.
110.9 (4) f : For each school-age child, record of a physical exam completed at the time of school enrollment or since.
110.9 (4) g : A signed and dated immunization certificate provided by the state Department of Public Health.
110.9 (4) i : Documentation signed by the parent which names persons authorized to pick up the child, their telephone number, and relationship to the child.
110.9 (4) j : Written permission from the parent(s) for their child to attend activities away from the child development home.
110.9 (4) k : Injury report forms to document injuries requiring first aid or medical care.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

1. You were unable to locate your mandatory reporter training. CCR&R can assist in finding trainings if you need help.
2. Number for each child's parent, a person who can be reached when the parent cannot and child's physician is written on paper and readily accessible
3. Each smoke detector needs to be check and record of these checks need kept. A smoke detector in the basement had been taken down at the time of my visit, please hang this back up.
4. Fire and tornado drills need practiced monthly. Record of these drills need kept for inspection purposes.
5. All household members over the age of 18 years old need an updated physical completed on the state required form and updated every 3 years.
6. All household member under the age of 18 years old need an updated physical on any medical form.
7. Please review all daycare children files to ensure they have the required documentations- emergency contact information, pick up and drop off information, emergency medical consent, current physical and immunization records. Physicals need updated yearly.

5. Special Notes/recommendations

I encourage you to continue working with Katie from Child Care Resource and Referral for any ongoing compliance or training needs.
