## CHILD CARE ANNUAL EVALUATION

**1. Basic Overview**

Hannah has been a Registered childcare provider with the state since august of 2024. Her annual compliance check was completed in June of this year. Today a Pre-inspection was completed due to an address change. Hannah also has 3 years of experience working in the school system with elementary aged children. She is open to caring for all age groups. Hannah does not participate in the IQ4K quality rating system. She does participate in the food program.

**2. Identify Observed Strengths Of The Program**

Hannah has a large fenced in yard for outdoor play. It is well maintained.
Hannah's files were nicely organized so this worker was able to review documentation while Hannah was able to continue to care for the children.
Hannah primarily provides care in the lower level of the home which is specifically set up for childcare. It was clean and organized.
This worker did observe positive interactions between Hannah and the children. They presented as very comfortable in her care.

**3. Identify The Aspects That Fall Below The Standard**

Hannah was in full compliance with all mandated regulatory requirements for a Pre-inspection (change of address).

Thank you for your service in providing childcare in your community.

**4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance**

NA

**5. Special Notes/recommendations**

Notes:
We did discuss safe sleep policies.
Hannah does not transport children.

Recommendations:
Policies are not a requirement at a Pre-inspection. However, Hannah is not a new provider but had the PI due to a change of address. Hannah does have written policies for ill children and health emergencies, but she did not yet have anything written in regard to notifying parents in writing that they are able to submit an exemption for immunizations (either religious or medical) in lieu of the immunization record for each child. This is a new policy effective 7/1/25 so we did discuss this, and she agreed to get that documented accordingly.

Hannah has a thorough and well written contract and policies. She does need to make a couple of changes in that documentation with the change of address. Hannah agreed to make those changes accordingly.
