Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home A conducted on 01/30/2025. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1) **Facility Requirements**

441 IAC 110.8(1)"r" The certificate of registration shall be displayed in a conspicuous place.

441 IAC 110.8(3) **Medications and Hazardous Materials**

441 IAC 110.8(3)"b" A first-aid kit shall be available and easily accessible whenever children are in the child development home, in the outdoor play area, in vehicles used to transport children, and on field trips. The kit shall be sufficient to address first aid related to minor injury or trauma and shall be stored in an area inaccessible to children. The kit shall, at a minimum, include adhesive bandages, bottled water, disposable tweezers, and disposable plastic gloves.

441 IAC 110.8(5) **Safe Sleep**

441 IAC 110.8(5) "a" The provider shall follow safe sleep practices as recommended by the American Academy of Pediatrics for infants under the age of one.

a. Infants shall always be placed on their back for sleep.
b. Infants shall be placed on a firm mattress with a tight fitted sheet that meets Consumer Product Safety Commission federal standards.
c. Infants shall not be allowed to sleep on a bed, sofa, air mattress or other soft surface. No child shall be allowed to sleep in an infant seat, car seat, swing, bouncy seat, or items not designed for sleeping.
d. No toys, soft objects, stuffed animals, pillows, bumper pads, blankets, or loose bedding shall be allowed in the sleeping area with the infant.
e. No co-sleeping shall be allowed.
f. Sleeping infants shall be actively observed by sight and sound.
g. If an alternate sleeping position is needed, a signed physician authorization with statement of medical reason is required.

441 IAC 110.9 Files

1305 E. Walnut Street, Des Moines, IA 50319-0114

441 IAC 110.9(1) **A provider file is maintained and shall contain the following:**

441 IAC 110.9(4) Children's Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:

a. Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.

b. Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child's regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency.

c. A signed medical consent from the parent authorizing emergency treatment.

d. An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician

1. The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home.

2. The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.

3. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.

4. The examination report or statement of health status shall be on file before the child's first day of care

e. For children under the age of 6,a statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.

f. For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.

g. A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.

h. For any child with allergies, a written emergency plan in the case of an allergic reaction. A copy of this information shall accompany the child if the child leaves the premises.

i. Documentation that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.

j. Written permission from the parent for the child to attend activities away from the child development home.**k.** Injury report forms documenting injuries requiring first aid or medical care

l. If the child meets the definition of homelessness as defined by section 725(2) of the McKinney-Vento Homeless Education Assistance Act, the family shall receive a 60-day grace period to obtain medical documentation.

Findings:

441 IAC 110.8(1)”r” The certificate of registration shall be displayed in a conspicuous place.

The certificate of registration was not displayed in the home.

441 IAC 110.8(3)“b” A first-aid kit shall be available and easily accessible whenever children are in the child development home, in the outdoor play area, in vehicles used to transport children, and on field trips. The kit shall be sufficient to address first aid related to minor injury or trauma and shall be stored in an area inaccessible to children. The kit shall, at a minimum, include adhesive bandages, bottled water, disposable tweezers, and disposable plastic gloves.

The provider's first aid kit needs bottled water.

441 IAC 110.8(5) "a" The provider shall follow safe sleep practices as recommended by the American Academy of Pediatrics for infants under the age of one.
a. Infants shall always be placed on their back for sleep.
b. Infants shall be placed on a firm mattress with a tight fitted sheet that meets Consumer Product Safety Commission federal standards.
c. Infants shall not be allowed to sleep on a bed, sofa, air mattress or other soft surface. No child shall be allowed to sleep in an infant seat, car seat, swing, bouncy seat, or items not designed for sleeping.
d. No toys, soft objects, stuffed animals, pillows, bumper pads, blankets, or loose bedding shall be allowed in the sleeping area with the infant.
e. No co-sleeping shall be allowed.
f. Sleeping infants shall be actively observed by sight and sound.
g. If an alternate sleeping position is needed, a signed physician authorization with statement of medical reason is required.

An infant was witness by HHS to be swaddled while sleeping.

441 IAC 110.9(4) Children’s files. An individual file is maintained for each child and updated annually or when there are changes. Each file contains:
a. Identifying information including, at a minimum, the child’s name, birth date, parent’s name, address, telephone number, special needs of the child, and the parent’s work address and telephone number.
b. Emergency information including where the parent can be reached, the name, street address, city, and telephone of the child’s regular doctor, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
c. A signed medical consent from the parent authorizing emergency treatment.
d. For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child’s first day of attendance.
For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian or admission physical examination that is not more than 12 months from the child’s first day.
e. For infants and preschoolers: A statement of health signed by a physician submitted annually.
For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of statement of health or admission physical.
f. For each school-age child, record of a physical exam completed at the time of school enrollment or since.

j. Written permission from the parent(s) for their child to attend activities away from the child development home.
k. Injury report forms to document injuries requiring first aid or medical care.

Several children need updated documents in their files.

Suggestions/Recommendations:

A re-check is not needed at this time, corrections need to be made by 3/1/25 and will be reviewed at the next annual compliance check.

I encourage you to work with Amber Kollbaum from Child Care Resource and Referral with any ongoing compliance or training needs.

Amber can be reached at (712) 541-3498

Corrective Action Required:

Please post your registration certificate in a conspicuous place in your home.

Please purchase bottled water for your first aid kit.

Please be sure to follow safe sleep practices as recommended by the American Academy of Pediatrics for infants under the age of one.

Please update the children's files as needed.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at david.jaehrling@hhs.iowa.gov if you have any questions regarding this letter.

Sincerely,

Dave Jaehrling
