CHILD CARE ANNUAL EVALUATION

1. Basic Overview

I conducted a compliance visit with Registered Child Development Home Category B provider Jennifer Hanley on 10/7/2025. Jennifer has been involved in child care for 25 years. Jennifer just renewed her certification this month so is registered through 9/2027. Jennifer had no children present during the time of our visit. She currently watches only 7 children, half after school, and half during an overnight shift. She is considering filling a couple spots during the day hours if she can find the right match. Jennifer continues using the main floor only of a small, ranch style home. Jennifer does not transport children, and has no HHS-approved assistants or substitutes.

2. Identify Observed Strengths Of The Program

Jennifer offers overnight care, which can be difficult for parents to find. She keeps her numbers well under her limits, offering better control of the environment. Jennifer currently only has children during after school or overnight. Her activities are limited for the overnight children, much of their time just getting ready for bed, and morning preparation before parents pick-up. Jennifer has homework time for her afternoon children, followed by outside time, puzzles, games, and crafts.

3. Identify The Aspects That Fall Below The Standard

110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.
- Jennifer needs to obtain a renewed physician signed statement of health for herself to have on file. This needs to be completed using the State form she has a copy of and renewed every 3 years.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

N/A

5. Special Notes/recommendations

I encourage Jennifer to work with Shelby Hageman from Child Care Resource and Referral with any ongoing compliance or training needs.
Shelby can be reached at: (319) 433-7760

Jennifer currently has no infants under 12 months of age in care. We reviewed safe infant sleeping policies for future reference.
