Dear Child Care Provider:

This letter is in regards to the follow up at your Registered Child Development Home A conducted on 08/21/2020. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.7 **Provider Requirements**

441 IAC 110.8 Standards. Conditions in the home are safe, sanitary, and free of hazards.

441 IAC 110.8(1) **Facility Requirements**

441 IAC 110.8(1)“n” Providers shall inform parents of the presence of any pet in the home.

1. Each dog or cat in the household shall undergo an annual health examination by a licensed veterinarian. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. This examination shall verify that the animal's routine immunizations, particularly rabies, are current and that the animal shows no evidence of endoparasites (roundworms, hookworms, whipworms) and ectoparasites (fleas, mites, ticks, lice).
2. Each pet bird in the household shall be purchased from a dealer licensed by the Iowa department of agriculture and land stewardship and shall be examined by a veterinarian to verify that it is free of infectious diseases. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. Children shall not handle pet birds.
3. Aquariums shall be well maintained and installed in a manner that prevents children from accessing the water or pulling over a tank.
4. All animal waste shall be immediately removed from the children's areas and properly disposed of. Children shall not perform any feeding or care of pets or cleanup of pet waste.
5. No animals shall be allowed in the food preparation, food storage, or serving areas during food preparation and serving times

441 IAC 110.8(1)“p” The provider shall have written policies regarding the care of mildly ill children and exclusion of children due to illness and shall inform parents of these policies.

441 IAC 110.8(1)“q” The provider shall have written policy and procedures for responding to health-related emergencies

441 IAC 110.8(2) **Use of Outdoor Space**

441 IAC 110.8(2) “a” A safe outdoor play area shall be maintained in good condition throughout the year. The play area shall be fenced off when located on a busy thoroughfare or near a hazard which may be injurious to a child, and shall have both sunshine and shade areas. The play area shall be kept free from litter, rubbish, and flammable materials and shall be free from contamination by

drainage or ponding of sewage, household waste, or storm water.

441 IAC 110.8(3)

Medications and Hazardous Materials

441 IAC 110.8(3)“b”

A first-aid kit shall be available and easily accessible whenever children are in the child development home, in the outdoor play area, in vehicles used to transport children, and on field trips. The kit shall be sufficient to address first aid related to minor injury or trauma and shall be stored in an area inaccessible to children. The kit shall, at a minimum, include adhesive bandages, bottled water, disposable tweezers, and disposable plastic gloves.

441 IAC 110.9

Files

441 IAC 110.9(1)

A provider file is maintained and shall contain the following:

441 IAC 110.9(4)

Children's Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:

- a. Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.
- b. Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child's regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
- c. A signed medical consent from the parent authorizing emergency treatment.
- d. An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician
 1. The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home.
 2. The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.
 3. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.
 4. The examination report or statement of health status shall be on file before the child's first day of care
- e. For children under the age of 6, a statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.
- f. For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.
- g. A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.
- h. For any child with allergies, a written emergency plan in the case of an allergic reaction. A copy of this information shall accompany the child if the child leaves the premises.
- i. Documentation that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.
- j. Written permission from the parent for the child to attend activities away from the child development home.
- k. Injury report forms documenting injuries requiring first aid or medical care
- l. If the child meets the definition of homelessness as defined by section 725(2) of the McKinney-Vento Homeless Education Assistance Act, the family shall receive a 60-day grace period to obtain medical documentation.

Findings:

On 8/21/20 Chad Reckling, SW II and Jena Nevarre, SW II conducted a follow up visit to the childcare home. The following was observed:

This worker did not observe or smell any evidence of marijuana or other illegal drug usage in the home.

441 IAC 110.9(4) Children's Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:
Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number. Need updated parent signature and date on form for K.D.(2). This requirement was waived due to COVID19 pandemic.

Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child's regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency. Need updated parent signature and date on form for K.D.(2). This requirement was waived due to COVID19 pandemic.

A signed medical consent from the parent authorizing emergency treatment. Need updated parent signature and date on form for K.D.(2). This requirement was waived due to COVID19 pandemic.

An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician. The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home. The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. Need physical for M.H.,I.H., L.J.(2), L.J.(6 mos) -This requirement was waived due to COVID19 pandemic.

A statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. Need updated physical for K.L. - This requirement was waived due to COVID19 pandemic.

A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable. Need for L.J.(2). Need update for K.D.(2) - This requirement was waived due to COVID19 pandemic.

A list that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child. Need updated parent signature and date on form for K.D.(2). This requirement was waived due to COVID19 pandemic.

Written permission from the parent for the child to attend activities away from the child development home. Need updated parent signature and date on form for K.D.(2). This requirement was waived due to COVID19 pandemic.

Items of non-compliance still present after today's visit:

Charmaine needs to show documentation of a current physical for one dog on the Pet Health Certificate Form.

Charmaine needs to show documentation of her written policies of excluding a child from other daycare children if a child were to become sick while in her care. This is a repeated concern of compliance.

Charmaine needs to show documentation of her policies on how she would handle a daycare child experiencing a health-related emergency while in her care.

Charmaine needs to cover her grills (x1) that are on her front porch. This is a repeated concern of compliance.

Charmaine needs to replace bandages and bottled water in her first aid kit.

Charmaine needs to show documentation of a current school-aged health status form for Jaziyan. This can be completed by her.

Charmaine needs to show documentation of a Background Check Approval Letter. One can be obtained from the central childcare registration unit if needed.

Suggestions for Improvement:

Recommendation:

Based on the items out of compliance listed above, you will be required to have a recheck or follow up visit to your home either on or after 9/2/20.

[] Is the recommendation to terminate a provider agreement or revoke a registration?

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Based on the items out of compliance listed above, you will be required to have a recheck or follow up visit to your home.

Please do not hesitate to contact me at DHS at (319) 208-5521/crekli@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,

Chad Reckling
