-The provider does not have current physicals/immunizations for all children in care.

8. 110.14(1)a The provider was caring for 12 children, all under school age.

Suggestions/Recommendations:

Due to many of the areas in non-compliance being the same areas of non-compliance from last year's visit, the provider will need to send photo proof to SW Bailey showing all areas to be in compliance by 6/22/25. The provider will need to stay within ratio of a category B child development home, further violations may result in revocation of registration.

I encourage you to work with Tabitha Copeland from Child Care Resource and Referral with any ongoing compliance or training needs.

Tabitha can be reached at: 563-362-8228

Corrective Action Required:

1. The provider needs to stay within ratio for a category B child development home. "Not more than 8 preschool children present at any one time including infants." The provider needs to have an approved assistant present any time she cares for more than 8 children for more than 2 hours.

2. The provider needs to have phone numbers posted for Fire, Police, Ambulance and Poison Control. The provider also needs to have current emergency contact numbers for each child posted.

3. The provider needs to test all smoke detectors monthly and keep a lot for inspection purposes.

4. The provider needs to post Emergency and Disaster plans for Fire and Tornado at primary and secondary exits of the home.

5. The provider needs to have the children practice fire and tornado drills monthly and keep documentation for inspection purposes.

6. The provider needs current physicals for all household members in provider file.

7. The provider needs current physicals/immunization records for all children enrolled in care.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at holly.bailey@hhs.iowa.gov or 319-800-4702 if you have any questions regarding this letter.

Sincerely,

Holly Bailey
