Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 09/07/2018. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

**441 IAC 110.7**                      **Provider Requirements**

441 IAC 110.8                      Standards. Conditions in the home are safe, sanitary, and free of hazards.

**441 IAC 110.8(1)**                      **Facility Requirements**

441 IAC 110.8(1)“a”                      The home shall have a nonpay, working land-line or mobile telephone with emergency numbers posted for police, fire, ambulance, and the poison information center. The number for each child’s parent, for a responsible person who can be reached when the parent cannot, and for the child’s physician shall be written on paper and readily accessible by the telephone. The home must prominently display all emergency information, and all travel vehicles must have a paper copy of emergency parent contact information

441 IAC 110.8(1)“h”                      The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer’s recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes

**441 IAC 110.8(2)**                      **Use of Outdoor Space**

441 IAC 110.8(2) “a”                      A safe outdoor play area shall be maintained in good condition throughout the year. The play area shall be fenced off when located on a busy thoroughfare or near a hazard which may be injurious to a child, and shall have both sunshine and shade areas. The play area shall be kept free from litter, rubbish, and flammable materials and shall be free from contamination by drainage or ponding of sewage, household waste, or storm water.

**441 IAC 110.8(3)**                      **Medications and Hazardous Materials**

441 IAC 110.8(3)“a”                      All medicines and poisonous, toxic, or otherwise unsafe materials shall be secured from access by a child

**441 IAC 110.8(4)**                      **Emergency Plans**

- 441 IAC 110.8(4) Emergency Plans: plans in case of man-made or natural disaster shall be written and posted by the primary and secondary exits. The plans shall clearly map building evacuation routes and tornado and flood shelter areas.
- 441 IAC 110.8(4) "a" Fire and tornado drills shall be practiced monthly and the provider shall keep documentation evidencing compliance with monthly practice on file for the current year and the previous year.
- 441 IAC 110.8(5) Safe Sleep**
- 441 IAC 110.8(8) Activity Program. There is an activity program and it promotes self-esteem and exploration.
- a. Activity program includes active play.
  - b. Activity program includes quiet play.
  - c. Activity program includes activities for large muscle development, such as running, climbing and riding toys.
  - d. Activity program includes activities for small muscle development, such as coloring, puzzles, finger plays and play dough.
  - e. Play equipment and materials in a safe condition, for both indoor and outdoor activities which are developmentally appropriate for the ages and number of children present.
- 441 IAC 110.9 Files
- 441 IAC 110.9(1) A provider file is maintained and shall contain the following:**
- 441 IAC 110.9(2) An individual file is maintained for each staff assistant and contains:
1. Documentation from the department confirming the record checks required under subrule 110.11(3) have been completed and authorizing or conditionally limiting the person's involvement with child care
  2. A completed Form 470-5152, Child Care Provider Physical Examination Report. The examination shall include any necessary testing for communicable diseases; a discussion of recommended vaccinations; completed no more than six months prior to approval to assist or be a household member; completed by a licensed medical doctor, doctor of osteopathy, physician assistant or advanced registered nurse practitioner; and repeated at least every three years.
  3. Certification of two hours of approved training related to identification and reporting of child abuse as required by Iowa Code section 232.69 within 3 months of employment.
- 441 IAC 110.9(3) An individual file is maintained for each substitute and contains:
1. Documentation from the department confirming the record checks required under 441 IAC 110.9(1) "a" have been completed and authorizing or conditionally limiting the person's involvement with child care.
  2. A completed Form 470-5152, Child Care Provider Physical Examination Report. The examination shall include any necessary testing for communicable diseases; a discussion of recommended vaccinations; completed no more than six months prior to approval to assist or be a household member; completed by a licensed medical doctor, doctor of osteopathy, physician assistant or advanced registered nurse practitioner; and repeated at least every three years.
  3. Certification of two hours of approved training related to identification and reporting of child abuse as required by Iowa Code section 232.69 within 3 months of employment.
  4. Certification in infant and child first aid
  5. Certification or other documentation that minimum health and safety training has been completed within 3 months or prior to providing substitute care, whichever occurs first.
- 441 IAC 110.9(4) Children's Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:

- a.** Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.
- b.** Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child's regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
