A pre-inspection was completed on 11/12/2025 to reapprove Andrea Armenta as a category "B" Child Development Home Provider. Andrea communicated she take families of all ages. There are no pets in the home. Andrea does not transport children.

2. Identify Observed Strengths Of The Program

Andrea is an experienced provider; she originally became a registered Child Development Home Provider in May of 2014. Andrea is organized and has attention to detail as evidenced by the layout of her care area and paperwork. There is a large area in the backyard for the children to play in. Andrea's care area has multiple learning and play activities available to the children to interact with when in care. Children in Andrea's care will receive regular meals and snacks as appropriate. Andrea said she eventually will participate with the Food Program. Andrea uses Quiet Time and redirection as interventions for behavioral concerns. Corporal punishment is not practiced in the home.
