CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Emily is a category B provider who has been registered for 20 years. Her hours are from 7:30AM to 5:00PM, Monday thru Friday. She takes children of all ages. She belongs to the food program. Emily has achieved IQ4K, level IV. She has participated in Teach & Wages. She employs four assistants and two substitutes.

2. Identify Observed Strengths Of The Program

Emily provides the children with a clean safe home environment with their health and well-being in mind. She strives to provide the children with love and guidance. Her program offers children opportunities to explore independently and learn skills. Emily uses a learning curriculum through education.com. The children participate in table time, music time, and free play.

3. Identify The Aspects That Fall Below The Standard

110.8 (4) b : Procedures are in place for: Evacuation to safely leave the facility, Relocation to a common, safe location after evacuation, Shelter-in-place to take immediate shelter where the child is when it is unsafe to leave that location due to the emergent issue, Lock down to protect children and providers from an external situation, Communication and reunification with families, Continuity of operations, and Procedures to address the needs of individual children, including those with functional or access needs.

The provider needs to include a plan for continuity of operations in the emergency preparedness plan.

Within six months of becoming registered, children 18 years of age or younger residing in the household must have: Admission physical exam report. Immunization certificate. For school age: Documentation of physical exam completed at time of school enrollment or since that time.

The provider needs documentation of recent physical examinations for her children residing in the home.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

NA

5. Special Notes/recommendations

2026 Target Compliance of Emergency Preparedness Plan - The provider needs to include a plan for continuity of operations.
