CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Charlotte is a category B provider who has been providing childcare for 40 years, 18 of which have been registered. Her husband Roger is her assistant. Her hours are from 5:30AM to 5:00PM and she accepts children of all ages. She accepts Child Care Assistance. There is an above ground pool on the premises that is not used by the daycare children and has a 4 ft non climbable fence surrounding it, meeting regulations.

2. Identify Observed Strengths Of The Program

Charlotte is and experienced provider who has a vast knowledge of child development and behaviors. She cares deeply for the children she watches, and she connects very well with children and parents. Charlotte runs a play-based program that is structured by flexible.

3. Identify The Aspects That Fall Below The Standard

110.8 (4) b : Procedures are in place for: Evacuation to safely leave the facility, Relocation to a common, safe location after evacuation, Shelter-in-place to take immediate shelter where the child is when it is unsafe to leave that location due to the emergent issue, Lock down to protect children and providers from an external situation, Communication and reunification with families, Continuity of operations, and Procedures to address the needs of individual children, including those with functional or access needs.

The provider needs to procedures for shelter-in-place and lock down in the Emergency Preparedness and Response plan. This needs to be completed by 3/12/26 and sent to Dave.jaehrling@hhs.iowa.gov

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

NA

5. Special Notes/recommendations
