Suggestions/Recommendations:

Alexie and Ryan need a smoke detector installed in the twins' bedroom that is used for napping and at the top of the basement stairwell.

Alexie and Ryan need to locate their Essentials certificates and maintain verification of completion of training.

Diane and Madison, approved assistants, need to locate and/or take required mandatory child abuse reporter training.

Alexie and Ryan need to work on updating children's files to include physicals signed (electronically or physically) for all enrolled children and immunization records on the state Department of Public Health form. These files will be reviewed for compliance at next year's annual compliance visit.

Corrective Action Required:

A follow up visit will not be required, however Alexie and Ryan need to send verification of all of the above items (except for child files) to this worker by 9/22/2023. Items can be emailed to khuinke@dhs.state.ia.us or texted to 563-949-6971.
