1. Basic Overview

Indianola Child Care - Irving has been in operation since 1993. The program provides before and after school care for school age children. The school has secured entrances. The center uses the cafeteria and also has a few classrooms and the gym for programming space. The center also uses the playground. Justice Fridley is the director for all the ICC centers. Simon Van Den Abbeele is the on site supervisor. Simon started at Indianola Child Care in August 2022. Simon worked with school age children prior to coming to Indianola Child Care.

An unannounced visit was completed on today's date. Current enrollment is 79. All areas subject to HHS licensing rules were reviewed. Mandatory postings are in place at the center's entrance. The center had a monthly calendar posted with crafts but didn't have a daily schedule. The center sets up several interest centers set up throughout the cafeteria. The center has a couple additional classrooms also that are used for programming space. These rooms have age appropriate toys and furnishings in place.

Simon assisted with today's visit. There were twenty eight children present. Five staff were working today. Children were observed on the playground and in the cafeteria. Staffs' interactions with the children were observed to be positive.

The center serves snack after school. Menus were reviewed and CACFP requirements are followed.

The center uses the school's playground. There is a concrete area that has basketball hoops. There is rubber tile for surfacing material. There are several climbing structures and swings. There is an area of grass also. Monthly checks are completed by the center. School staff maintain the playground.
