CHILD CARE ANNUAL EVALUATION

1. Basic Overview

An unannounced compliance visit was completed on 5/8/26 at the Category B child development home of Shayla Davis. Shayla has been providing child care for 9 years with the last 4 years as a registered home. As a category B home, she is allowed 8 full time children along with 4 school aged children for 2 hrs or less without an assistant being present. Shayla has 2 approved Substitute/Assistants. Shayla is open 7:00-5:00 M-F. She accepts children of all ages and accepts state child care assistance. She participates in the Food Program ensuring balanced and nutritious meals and snacks. She also participates in the Teach and Wages Program.

2. Identify Observed Strengths Of The Program

Shayla has a learn through play program. She does do some pre-school activities when they turn the age of 4. She reports she has good communication with the parents. They enjoy being outside when weather permits and enjoy going on walks. They also enjoy doing arts and crafts.

3. Identify The Aspects That Fall Below The Standard

Within six months of becoming registered, children 18 years of age or younger residing in the household must have: Admission physical exam report. Immunization certificate. For school age: Documentation of physical exam completed at time of school enrollment or since that time.
110.9 (4) a : Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.
110.9 (4) b : Emergency information including where the parent can be reached, the name, street address, city, and telephone of the child's regular doctor, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
110.9 (4) c : A signed medical consent from the parent authorizing emergency treatment.
110.9 (4) d : For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
110.9 (4) g : A signed and dated immunization certificate provided by the state Department of Public Health.
110.9 (4) i : Documentation signed by the parent which names persons authorized to pick up the child, their telephone number, and relationship to the child.
110.9 (4) j : Written permission from the parent(s) for their child to attend activities away from the child development home.
- Please go through all of the children files and update outdated and missing forms. These will be checked at next years compliance visit.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

5. Special Notes/recommendations

2026 Targeted Compliance of Emergency Preparedness Plan was in line with Shayla's current operations.
