I. IF CURRENT LICENSE IS PROVISIONAL, IDENTIFY THE CORRECTIVE ACTIONS

II. IDENTIFY THE AREAS OBSERVED ON THE VISIT:

This center has been in operation for several years, providing childcare for children who attend Moulton Extended Learning Center. The center became licensed with DHHS in June 2019. The school has secured entrances. The center has it's own entrances. The center uses several classrooms in the school for programming. DJ King is the director of the center. Sabrina Ollie is the on site supervisor. Sabrina has worked at Moulton since 2017. She has previous child care experience working at Head Start prior to coming to Moulton.

An unannounced visit was completed on today's date. All areas subject to HHS licensing rules were reviewed. Mandatory postings are posted at an entrance parents use. A summer schedule was posted. This week's lesson plan was available for viewing. Children's belongings are kept in bins at the entrance.

Sabrina assisted with today's visit. Chelsee Orton, the center's administrative lead, also assisted. The center's main program room is the cafeteria. In the summer, the center uses a few additional classrooms. Children are divided into smaller groups during parts of programming by ages. Children were viewed in program rooms and on the playground. Children were observed doing large group game activities, individual play activities, academic activities and large motor games.

Children are provided breakfast, lunch and afternoon snack during summer programming. Breakfast and lunch is provided by Des Moines Schools as this is a free meal site. The center provides snacks. During the school year, the children receive snacks after school.

The school's playground has fencing. There is concrete and tile surfacing. There are some large climbing structures and basketball hoops. There are grassy areas. The school staff maintains the playground. The center completes monthly playground checks.

The center uses school busing for off site field trips.
