CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Kouaba Sapohi is a CDH Category A provider, living in West Des Moines. She has been a registered daycare provider since 2024. Kouaba lives in a 2 story town home but only uses the basement area for her child care operation. Kouaba's basement has an egress window and would just need permanent steps, should she move up in categories. Kouaba can provide care to children of all ages.

2. Identify Observed Strengths Of The Program

Kouaba Sapohi was organized for our compliance check. She was able to locate trainings for me and provide care all of the daycare children. Kouaba uses redirection for discipline. Kouaba said the daycare children like to dance, sing, do arts and crafts and read books. Kouaba plans to join the food program, if she has more children enroll. All safe sleep regulations were reviewed and will be complied with at all times.

3. Identify The Aspects That Fall Below The Standard

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance
