## CHILD CARE ANNUAL EVALUATION

**1. Basic Overview**

Kandi Westphal Shelton is a CDH Category B provider, living in Des Moines. She has been a registered daycare provider since 2011. Kandi lives in a ranch style house but uses her main floor for her child care operation. Kandi provides care to children of all ages.

**2. Identify Observed Strengths Of The Program**

Kandi was organized for our compliance check. She was able to locate trainings for me and provide care all of the daycare children. Six children were present during our visit, ages 18 months to 5 year old. Kandi has 3 dogs. Kandi said daycare children do arts and crafts, play with playdough and she rotates toys for the kids. When I arrived the children were playing outside. Kandi has a nice outdoor space with lots of toys. Kandi has completed all of the training to be a category B child care provider.

**3. Identify The Aspects That Fall Below The Standard**

Kandi was in full compliance.

**4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance**
