**1. Basic Overview**

Annette reports being a child care provider for 30 years, she states most of those years she was registered. She lives in a two story home, but provides care on the first floor only. Annette reports that her CDH has a schedule, but children in her program learn through play. Her hours are 6:30-5:30 M-F. As a category B, Annette is able to have 8 full time children and 4 school aged for 2 hrs or less by herself. If she has the school agers longer than 2 hrs, it would require her assistant, Jac, to be present.

**2. Identify Observed Strengths Of The Program**

Annette reports that several of the children she is currently caring for had parents who also attended her child care program.

## CHILD CARE ANNUAL EVALUATION

Annette was observed to be able to easily multi task with helping with her inspection while caring for an infant and meeting the needs of the other children as they played, quarreled and asked questions.

**3. Identify The Aspects That Fall Below The Standard**

110.8 : Conditions in the home shall be safe, sanitary, and free from hazards.
* Annette needs to replace child locks on her cabinets under the sink where cleaning supplies are located.

All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites.
Form 470-5153, Pet Health Examination Veterinary Health Certificate, is on file.
* Annette has the form for her dogs, but it is not on the HHS form and is missing the stool sample.

Fire and tornado drills are practiced monthly and documentation kept on file for the current year and previous year.
* Annette has all of her monthly drills except for tornado drills. Annette needs to practice and track these monthly starting 11/1.

110.9(4) : An individual file is maintained for each child and updated annually or when there are changes. Each file contains:
110.9 (4) a : Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.
110.9 (4) b : Emergency information including where the parent can be reached, the name, street address, city, and telephone of the child's regular doctor, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
110.9 (4) c : A signed medical consent from the parent authorizing emergency treatment.
110.9 (4) d : For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.
For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian or admission physical examination that is not more than 12 months from the child's first day.
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of statement of health or admission physical.
110.9 (4) f : For each school-age child, record of a physical exam completed at the time of school enrollment or since.
110.9 (4) g : A signed and dated immunization certificate provided by the state Department of Public Health.
110.9 (4) h : Written emergency plans for children with allergies. Must accompany child if away from facility.
110.9 (4) i : Documentation signed by the parent which names persons authorized to pick up the child, their telephone number, and relationship to the child.
110.9 (4) j : Written permission from the parent(s) for their child to attend activities away from the child development home.

* Annette has files for each child, however; she needs to go through and have them updated.

**4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance**

**5. Special Notes/recommendations**

At today's visit, we discussed safe sleep and you report practicing safe sleep at all times.

It is recommended that you have parents sign a form, where applicable, giving permission for children to walk to activities by themselves.
