II. IDENTIFY THE AREAS OBSERVED ON THE VISIT:

Wee Bearz Child Care has been open since 1999. The center is located in a strip mall. The center occupies the majority of the space within the strip mall. The center has a hallway that has established one main entrance for the center with secured doors. There is a security system in place. There are cameras in all classrooms and entryway. Wee Bearz serves children ages infancy through school age. The center is owned by Zack Bolin, Noelel Bolin and Blaine Bolin. Ashley Hoyle is the director. Ashley has been employed with Wee Bearz since 2004. She has served as director since 2015. Kayla Simons is the on site supervisor. Kayla has been employed with the center since 2015.

An unannounced visit was completed on today's date. Ashley was present and she assisted with today's visit. All areas subject to HHS licensing standards and rules were reviewed. All program rooms were observed. Mandatory postings were in place at the station where parents check in children. Classrooms are adequately furnished with age appropriate furnishings and toys. Classrooms had schedules posted. Classrooms also had lesson plans posted.

The infant classroom had five infants present. Two staff were working with in this classroom. The 1's classroom had eight toddlers present. There were three staff working in the 1's class. The 2's classroom had eleven children present. There were two staff working within this classroom. The 3's class had fifteen children present. Two staff were working in this classroom. The preschool room had sixteen children present. Two staff were working with this group. Eleven children were present in the school age classroom. One staff was working in this class. Twenty one school age children were at the pool at the time of the visit. Four staff were with on the field trip. Children were observed during child directed play activities. Some children were observed resting or during transition times.

The center has a full kitchen and a cook. The center serves breakfast, morning snack, lunch and afternoon snack. The center participates in CACFP and menus reflect CACFP requirements are followed.

The center has a fenced in playground with a few separate areas for the different age groups. There are some grassy areas the center uses for large motor play activities. The toddler playground has rubber tile for surfacing material. The larger playground has wood mulch.

The centers owns a a bus and two vans. These are used for school transportation and field trips.

III. IDENTIFY THE OBSERVED STRENGTHS OF THE CENTER:
