## CHILD CARE ANNUAL EVALUATION

**1. Basic Overview**

Elizabeth Ashoro has been a registered childcare provider since August of 2019. Elizabeth is currently a category "A" Child Development Home Provider. This category allows the provider to have 6 preschool children with an additional 2 school aged children in care at one time. Elizabeth does not have an assistant or substitute for her program. There are no pets in the Child Development Home. Elizabeth does not provide transportation for families in her care. Elizabeth is available for childcare 24 hours a day 7 days a week. Elizabeth does not have any families on her care roster at this time.

**2. Identify Observed Strengths Of The Program**

Elizabeth's home is appropriate for childcare. Elizabeth has completed her required trainings as reviewed by the Registration Unit. Elizabeth has completed Safe Sleep training; this worker reviewed the policy with her and the translator. Elizabeth will implement the practice when she has children 12 months or younger in her care. Elizabeth uses removal of privileges and redirection as her primary behavioral interventions when needed. Corporal punishment is not practiced in the Child Development Home. Children in Caitlyn's care will receive regular meals and snacks as appropriate. Elizabeth's availability for care allows her to care for families with non-traditional scheduling needs.

**3. Identify The Aspects That Fall Below The Standard**

Each smoke detector has been installed according to manufacturer’s recommendations.
110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.

1. During the compliance check a smoke detector was beeping indicating the batteries need to be changed. If you change the batteries and the detector continues to beep the smoke detector needs to be replaced.

2. The DHHS Medical Physical Forms are expired. Each household member 18 years or older needs to have a completed medical form completed by a qualified medical professional every 3 years. This worker left blank forms for you to take to your medical providers.

**4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance**

None.

**5. Special Notes/recommendations**

I encourage you to work with your Child Resource and Referral Worker (Heather Sheesley 515-360-7308) with any compliance or training efforts.

The above corrections need to be completed by 10/6/2026 and will be reviewed on your next annual compliance check.

The Emergency Preparedness Plan meets Targeted Expectations.
