CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Tabitha has been providing child care for almost four years now. Tabitha has been a registered provider with the State of Iowa this entire time. Tabitha accepts children aged 6 weeks through 10 years of age. Tabitha is available for first shift care Monday through Friday for families in need of child care services. Tabitha uses a curriculum through the Brightwheel app. This offers ideas for structured activities for children of all ages. Tabitha works with the kids on ABCs and number recognition and enjoys taking the kids outside when the weather permits. Tabitha uses her basement primarily for care. The basement has an approved egress exit. The basement is extremely child friendly with bright colors and a wide assortment of toys and activities for infants through school aged children. Tabitha has a food/store section, magna tiles and other small manipulatives, cars, doll houses and countless other creative play options.

2. Identify Observed Strengths Of The Program

Tabitha believes her greatest strength is her strong communication with the parents of children in care. Tabitha also maintains her required paperwork in an organized manner. Tabitha participates in the CACFP food program for child care providers. Tabitha also uses the child care management system Brightwheel application. Tabitha loves Brightwheel and plans on maintaining this through her child care career. Brightwheel assists in making communication with parents easier, formulates reports as needed for families, and just keeps Tabitha organized in general. Tabitha works well with collaborative resources, specifically Child Care Resource and Referral. Tabitha did a wonderful job of multi-tasking while this worker was present - keeping the children engaged while still providing needed information for our visit.
