CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Lauretta has been a registered childcare provider since February 2008. Lauretta cares for children from birth to 5 years (school age). Lauretta's childcare hours are 5:00am to 11:00pm Monday through Friday and every other weekend. Lauretta does not have any substitutes or assistants. Lauretta participates with CCR&R and states that she may participate with the food program and she's interested in learning more about IQ4K.

2. Identify Observed Strengths Of The Program

Lauretta and her husband, Ray, recently moved to a new home in Burlington, Iowa. The compliance visit was also a pre-inspection visit. During the visit 4 children were playing in the living room area, watching "Miss Rachel" and Lauretta had two toddlers in another gated-off area for supervision.

Lauretta says that she likes to teach the children and is working with one special needs child on sign language. Lauretta prides herself on providing "good meals" to the children, "nothing from a box". Lauretta says that she is flexible with her families on childcare hours.

3. Identify The Aspects That Fall Below The Standard

110.8 (1) h : Has a minimum of one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway.

1. There is no smoke detector in the sunporch area where children will play.

110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of statement of health or admission physical.

1. Lauretta is missing annual physicals for a few of the children's files.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

1. Lauretta will add a smoke detector to the sunporch area and send a photo text to SW Bailey by 2/15/26.

2. Lauretta needs current, annual physicals/statements of health, in all children's files.

5. Special Notes/recommendations
