Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 01/07/2025. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

**441 IAC 110.8(4)** **Emergency Plans**

441 IAC 110.8(4) "b" The provider must have procedures in place for the following:

**1.** evacuation to safely leave the facility
**2.** relocation to a common, safe location after the evacuation
**3.** shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue
**4.** lock down protocol to protect children and providers from an external situation
**5.** communication plan and plans for reunification with families
**6.** continuity of operations plans
**7.** Procedures to address the needs of individual children, including those with functional or access needs

441 IAC 110.9 Files

**441 IAC 110.9(1)** **A provider file is maintained and shall contain the following:**

441 IAC 110.9(1)" b" (1) I-PoWeR records or certificates verifying required training completion:

Prior to registration:

- minimum health and safety training, approved by the Department, in required content areas
- Iowa's Mandatory Child Abuse Reporter Training

Prior to registration: First Aid and Cardiopulmonary resuscitation. Provider shall maintain a valid certificate indicating date of training and expiration date.

During each two year registration period, the provider shall receive a minimum of 24 hours of training from approved content areas. A provider shall not use a specific training or class to meet minimum continuing education requirements more than one time every five years

A provider who submits documentation from a child care resource and referral agency that the

provider has completed the Iowa Program for Infant/Toddler Care (IA PITC), ChildNet, or Beyond Business Basics training series may use those hours to fulfill a maximum of two years' training requirements, not including first-aid and mandatory reporter training

441 IAC 110.9(4) Children's Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:

**a.** Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.

**b.** Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child's regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency.

**c.** A signed medical consent from the parent authorizing emergency treatment.

**d.** An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician

**1.** The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home.

**2.** The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.

**3.** For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.

**4.** The examination report or statement of health status shall be on file before the child's first day of care

**e.** For children under the age of 6,a statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.

**f.** For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.

**g.** A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.

**h.** For any child with allergies, a written emergency plan in the case of an allergic reaction. A copy of this information shall accompany the child if the child leaves the premises.

**i.** Documentation that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.

**j.** Written permission from the parent for the child to attend activities away from the child development home.**k.** Injury report forms documenting injuries requiring first aid or medical care

**l.** If the child meets the definition of homelessness as defined by section 725(2) of the McKinney-Vento Homeless Education Assistance Act, the family shall receive a 60-day grace period to obtain medical documentation.

Findings:

An annual compliance check was completed on 1/7/25 and the following was out of compliance:

441 IAC 110.8(4) “b” The provider must have procedures in place for the following:
evacuation to safely leave the facility
relocation to a common, safe location after the evacuation

Prior to registration:
minimum health and safety training, approved by the Department, in required content areas
Iowa’s Mandatory Child Abuse Reporter Training
Prior to registration: First Aid and Cardiopulmonary resuscitation. Provider shall maintain a valid certificate indicating date of training and expiration date.
Kelli's First Aid and CPR certificate had expired. Kelli did report that she is signed up to take training at the end of January.

441 IAC 110.9(4) Children’s Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:
An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician
The date of the physical examination shall not be more than 12 months before the child’s first day of attendance at the child development home.
The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.
For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.
The examination report or statement of health status shall be on file before the child’s first day of care
For children under the age of 6, a statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.
For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.
Kelli was missing an updated annual physical for one of the preschoolers in care.

Suggestions/Recommendations:

A re-check is not needed at this time. Corrections need to be made by 1/28/25 and will be reviewed at the next annual compliance check. Please send pictorial verification of the items where specifically noted below.

I encourage you to work with Black Hawk County Child Care Resource and Referral at 319 233-0804 if you have any ongoing compliance or training needs.

Thank you for your service in providing childcare in your community.

Corrective Action Required:

Kelli needs to update her Emergency Preparedness Plan and send pictorial verification to this worker.

Kelli needs to update her First Aid and CPR training and send pictorial verification to this worker.

Kelli needs to work with parents to obtain any missing documentation from the children's files to include obtaining an updated physical for one of the children in care.

Addendums:

- Addendum1: Kelli's annual compliance check was completed on 1/7/25. Kelli needed to send pictorial verification of a few items that were out of compliance at the time of that annual check.

  On 1/9/25 Kelli sent pictorial verification of her Emergency Preparedness Plan
  On 1/9/25 Kelli sent pictorial verification of the missing documentation from one of the children's files.
  On 1/30/25 Kelli sent pictorial verification of her updated First Aid and CPR training.

  As of 1/30/25 she has sent pictorial verification of the items requested.

This Addendum is approved by supervisor on 1/30/2025 1:36:57 PM

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 319-429-0749 or christy.weber@hhs.iowa.gov if you have any questions regarding this letter.

Sincerely,

Christine Weber
