Dear Child Care Provider:

This letter is in regards to the pre-inspection visit at your residence in which you are seeking child development home registration conducted on 04/03/2025. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. Your home is rated a 2 on the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.15(3) **Facility requirements:**

441 IAC 110.15(3)"c" The home shall have a minimum of two direct exits to the outside from the main floor.

1. If the second level or the basement of the home is used for the provision of child care, other than the use of a restroom, each additional child-occupied floor shall have at least one direct exit to the outside in addition to one inside stairway.
2. All exits shall terminate at grade level with permanent steps.
3. A basement window may be used as an exit if the window can be opened from the inside without the use of tools and it provides a clear opening of not less than 20 inches in width, 24 inches in height, and 5.7 square feet in area. The bottom of the opening shall be not more than 44 inches above the floor, with permanent steps inside leading up to the window.
4. Occupancy above the second floor shall not be permitted for child care

Findings:

441 IAC 110.15(3)c. Cat C: Basement: Egress window/steps.

Suggestions/Recommendations:

I encourage you to work with Child Care Resource and Referral for ongoing child care needs.

Corrective Action Required:

This was a combined change of address/pre inspection visit and annual compliance visit.

Andrea plans to use her basement for child care and as a Cat C1 provider, a second direct exit is required. Andrea has a window, however, needs permanent steps leading to the window.

Andrea needs to send verification of the installed steps to Kathy by 4/21/2025. This is needed in order to approve Andrea's change of address/pre inspection. If Andrea is unable to get the steps completed by that time, Andrea understands she will have to provide care on the main level of the home until the steps are completed. Verification of this can be sent to Kathy by email kathy.huinker@hhs.iowa.gov or text 563-949-6971.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 563-949-6971 or kathy.huinker@hhs.iowa.gov if you have any questions regarding this letter.

Sincerely,

Kathy Huinker
