Kelli needs to add a water bottle to her First aid kit.

Kelli needs to update her Mandatory Child abuse reporter training and send pictorial verification.

Kelli should try to locate her documentation from the department confirming the record checks required under 441 IAC 110.11(3) have been completed and authorizing or conditionally limiting the person’s involvement with childcare. If she cannot find this, she needs to make sure she keeps the next one sent to her at the time of her renewal.

Corrective Action Required:

A re-check is not needed at this time. Corrections need to be made by 1/23/24 and will be reviewed at the next annual compliance check. Please send pictorial verification of the specific items were noted above.
