Dear Child Care Provider:

This letter is in regards to the pre-inspection visit at your residence in which you are seeking child development home registration conducted on 05/04/2018. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.7 **Provider Requirements**

441 IAC 110.8 Standards. Conditions in the home are safe, sanitary, and free of hazards.

441 IAC 110.8(1) **Facility Requirements**

441 IAC 110.8(1)“g” The home shall have at least one 2A 10BC rated fire extinguisher located in a visible and readily accessible place on each child-occupied floor.

441 IAC 110.8(1)“h” The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer’s recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes

441 IAC 110.8(1)“i” Smoking and the use of tobacco products shall be prohibited at all times in the home and in every vehicle in which children receiving care in the home are transported.
Smoking and the use of tobacco products shall be prohibited in the outdoor play area during the home’s hours of operation. Nonsmoking signs shall be posted at every entrance of the child care home and in every vehicle used to transport children.
All signs shall include:
1. The telephone number for reporting complaints, and
2. The Internet address of the department of public health (www.iowasmokefreeair.gov)

441 IAC 110.8(2) **Use of Outdoor Space**

441 IAC 110.8(2) “a” A safe outdoor play area shall be maintained in good condition throughout the year. The play area shall be fenced off when located on a busy thoroughfare or near a hazard which may be injurious to a child, and shall have both sunshine and shade areas. The play area shall be kept free from litter, rubbish, and flammable materials and shall be free from contamination by drainage or ponding of sewage, household waste, or storm water.

441 IAC 110.8(4)**Emergency Plans**

441 IAC 110.8(4)

Emergency Plans: plans in case of man-made or natural disaster shall be written and posted by the primary and secondary exits. The plans shall clearly map building evacuation routes and tornado and flood shelter areas.

441 IAC 110.8(4) "b"

The provider must have procedures in place for the following:

1. evacuation to safely leave the facility
2. relocation to a common, safe location after the evacuation
3. shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue
4. lock down protocol to protect children and providers from an external situation
5. communication plan and plans for reunification with families
6. continuity of operations plans
7. Procedures to address the needs of individual children, including those with functional or access needs

441 IAC 110.9

Files

441 IAC 110.9(1)**A provider file is maintained and shall contain the following:**

441 IAC 110.9(1)"a"

A physician's examination report for the provider and all members of the provider's household aged 18 years or older. Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. All children residing in the household must have medical documentation outlined in 110.9(4) "d", 110.9(4) "f", and 110.9(4) "g"

441 IAC 110.9(1)"b" (1) I-PoWeR records or certificates verifying required training completion:

Prior to registration:

- minimum health and safety training, approved by the Department, in required content areas
- Iowa's Mandatory Child Abuse Reporter Training

Prior to registration: First Aid and Cardiopulmonary resuscitation. Provider shall maintain a valid certificate indicating date of training and expiration date.

During each two year registration period, the provider shall receive a minimum of 24 hours of training from approved content areas. A provider shall not use a specific training or class to meet minimum continuing education requirements more than one time every five years

A provider who submits documentation from a child care resource and referral agency that the provider has completed the Iowa Program for Infant/Toddler Care (IA PITC), ChildNet, or Beyond Business Basics training series may use those hours to fulfill a maximum of two years' training requirements, not including first-aid and mandatory reporter training

Findings:

Melanie will unplug flat curling iron that is plugged into an outlet in her bathroom.

Melanie needs to obtain a bigger capacity fire extinguisher for her main floor (class 2A 10 BC).

Melanie needs to place a smoke detector at the top of her basement stairs; in her play room area (currently the one that has a dining room table in it); at the top of her stairs to the second story on the east side of her house; and move the detector in her play room to over her shared entryway between her playroom and living room area.

Melanie needs to post Iowa Smoke Free Air Act compliant no smoking signs at both entrances/exits to her home.

Melanie needs to cover her charcoal grill; remove charcoal and lighter fluid from area and place in a child inaccessible area; remove construction materials from the area; and pick up trash located in yard and side yard.

Melanie needs to post a copy of her emergency plans for fire and tornado next to her back door and show routes for fire going out front exit as well on plans posted.

Melanie needs to remove canned questions from her Emergency Preparedness Plan document and type in her procedures for each emergency area on a blank template which can be located at iowaccrr.org.

Melanie needs to show documentation of a current physical for Ayden on the Child Care Provider Physical Examination Report form.

Melanie needs to show documentation of a current physical and immunization record for Cloe.

Melanie needs to show documentation of current course completion for Mandatory Reporter Training for herself.

Suggestions/Recommendations:**Corrective Action Required:**

Based on the items out of compliance listed above, you will be required to have a recheck or follow up visit to your home. Please have all items of non-compliance noted above completed and a follow up visit scheduled with the department (Lisa Hilsenbeck (563) 326-8222) within 15 days of the receipt of this letter.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at (319) 208-5521/creckli@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,

Chad Reckling
