CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Debbie Kyner is a CDH Category C1 provider, living in Altoona. She has been a registered daycare provider since 2011. Debbie lives in a ranch style house but only uses the basement area for her child care operation. Her basement is a walkout basement.

2. Identify Observed Strengths Of The Program

Debbie Kyner was organized for our compliance check. At the time of my visit, 6 daycare children were present, ages 22 months to 5 years old. She was able to locate trainings for me and provide care the daycare children. Debbie said she rarely uses discipline but uses redirection. Debbie said the children do daily calendar activities, free play, play outside, reading and arts and crafts. Debbie currently has no infants enrolled, but we reviewed all safe sleep regulations. She has pack and plays for infants. Debbie has a very nice large backyard with a playset.

3. Identify The Aspects That Fall Below The Standard

At the time of my compliance visit, Debbi Kyner was in full compliance.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance
