I. IF CURRENT LICENSE IS PROVISIONAL, IDENTIFY THE CORRECTIVE ACTIONS

II. IDENTIFY THE AREAS OBSERVED ON THE VISIT:

Ellis I. Levitt Boys and Girls Club has been in operation for several years. The center made a decision to becomes licensed under DHS and this process occurred in December 2017. The center is located in Carver Elementary School. They provide before and after school care during the school year and summer. The center uses several classrooms, a gym, as well as having their own separate club room. The school has a secured entrance and the center has it's own secured entrance also. Neisa Taylor is the director of the Boys and
Girls Clubs. Kahdejia Love is the on site supervisor. She has been with the Boys and Girls Club since 2017. She has a BA in Recreation Management.

An unannounced visit was completed on today's date. All areas subject to HHS licensing rules were reviewed. Mandatory postings are posted at the center's entrance. A schedule/lesson planning is posted also. The center age has a nice supply of appropriate furnishings, games, toys and learning supplies. Children are divided into smaller groups during the majority of programming. Children are able to move to the different areas within the center for different play and learning opportunities.

K. Love was present and assisted with today's visit. James Curley came to the center during the visit. There were seven staff working today. One staff sits by the bathroom to assist and supervise the bathroom areas used by the center. Forty nine children were in attendance. Today was a regional day with the Des Moines School District so the center provided all day programming. Children were observed in several program areas. Children were divided into three groups. Children were playing board games, card games, playing on computers and doing art activities. Staff were observed to be actively engaged with the children in all program areas.

The center serves snack and dinner after school. During all day programming, all meals and snacks are provided. The center gets all their meals and snacks from Des Moines Schools.

The center uses the school's playground. School staff maintain the playground. The center completes monthly playground checks.

The center uses their own vehicles for off site field trips.

III. IDENTIFY THE OBSERVED STRENGTHS OF THE CENTER:

This center has spacious programming space for children being served. The children are offered large motor play activities on a daily basis through the use of the gym and the school's outdoor playground. The center offers a variety of club and group activities for children to become involved in. This site serves dinner daily.

IV. IDENTIFY THE ASPECTS OF OPERATION THAT FALL BELOW THE STANDARDS REVIEWED:

109.10(2): Medical and dental emergencies: Center shall have sufficient information and authorization to meet medical and dental emergencies of children. Shall have written procedures for emergencies and shall ensure that staff are knowledgeable of and able to implement the procedures.
Some student files were missing dentist information.

V. SPECIAL NOTES/RECOMMENDATIONS:

The center has a full license.
