Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 06/14/2023. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. Your home is rated a 1 on the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1) **Facility Requirements**

441 IAC 110.8(1)“ a” The home shall have a nonpay, working land-line or mobile telephone with emergency numbers posted for police, fire, ambulance, and the poison information center. The number for each child’s parent, for a responsible person who can be reached when the parent cannot, and for the child’s physician shall be written on paper and readily accessible by the telephone. The home must prominently display all emergency information, and all travel vehicles must have a paper copy of emergency parent contact information

441 IAC 110.8(4) **Emergency Plans**

441 IAC 110.8(4) “b” The provider must have procedures in place for the following:

1. evacuation to safely leave the facility
2. relocation to a common, safe location after the evacuation
3. shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue
4. lock down protocol to protect children and providers from an external situation
5. communication plan and plans for reunification with families
6. continuity of operations plans
7. Procedures to address the needs of individual children, including those with functional or access needs

Findings:

Per the compliance visit conducted by this worker on 6/14/2023 the following corrections described in the above policy sections need to be completed:
1. Each child needs to have their emergency numbers written on paper in case the provider is unable to contact the parent. These numbers need to be easily accessible and also need to be in the vehicle used to transport children.
2. You need an Emergency Preparedness Plan and the plan needs to be easily accessible. Your Child Care Resource and Referral Worker (Traci Honold 515-802-8163) can assist you with developing this plan.

Suggestions/Recommendations:

I encourage you to work with your Child Care Resource and Referral Worker (Traci Honold 515-802-8163) with any compliance or training efforts.

Corrective Action Required:

The above corrections need to be corrected by 8/15/2023 and will be checked on your next compliance visit.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 515-601-9469/jaringd@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,

Jake Aringdale
