Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 08/05/2020. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(3) Medications and Hazardous Materials

441 IAC 110.8(3)“a” All medicines and poisonous, toxic, or otherwise unsafe materials shall be secured from access by a child

Findings:

441 IAC 110.8(3)a. Medicines and unsafe materials. Stacey had items under her bathroom sink upon arrival. Stacey removed the items and placed them in an accessible location to children while this worker was still present.

Suggestions for Improvement:

Contact CCRR consultant for assistance as needed, 563-324-3239.

Recommendation:

No further action is required since Stacey corrected the issue during the compliance visit.

[] Is the recommendation to terminate a provider agreement or revoke a registration?

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Based on the items out of compliance listed above, you will not be required to have a recheck or follow up visit to your home. No further action is required.

Please do not hesitate to contact me at DHS at 563-949-6971 or khuinke@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,

Kathy Huinker
