CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Sheena operates a category B child development home in the lower level of her Riverside home. Sheena's childcare hours are Monday through Friday 6:50am to 5:30pm. Sheena accepts children from newborn to school age. Sheena is no longer accepting school age children. Sheena has been a registered childcare provider since 2020.

2. Identify Observed Strengths Of The Program

Sheena has a large play area for the children, partitioned off with low, see-through gates, with different stations. The daycare has a lot of different toys, including arts, crafts, blocks, books, legos and building toys. The lower level of the home walks out into a large, fenced yard which also has play structures and riding toys. Sheena has a small gated off area for infants to safely play, away from the more mobile children.

During the compliance visit Sheena had the children engaged in a "mess-free" painting activity and a few children were playing with building toys. Sheena encouraged the children when it was time to clean up and she offered hugs to each child. Sheena was able to multitask caring for the infants and supervising the toddlers.

3. Identify The Aspects That Fall Below The Standard

Sheena's child development home was found to be in compliance.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

N/A

5. Special Notes/recommendations

N/A
