Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. Your home is rated a 1 on the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

3. Aquariums shall be well maintained and installed in a manner that prevents children from accessing the water or pulling over a tank.

One of the pets needs an updated physical examination.

Suggestions/Recommendations:

A re-check is not needed at this time, corrections need to be made by 2/16/25 and will be reviewed at the next annual compliance check.

I encourage you to work with Heather Hinds from Child Care Resource and Referral with any ongoing compliance or training needs.

Heather can be reached at (712) 540-6086.

Corrective Action Required:

Please provide documentation of a current physical examination for your pet on form 470-5153.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration.
