1. Basic Overview

Michelle is a category C2 provider who has been registered since 2009. Her husband Michael is the co-provider. Childcare is provided in the basement of the home. There is an egress window for direct access to the outside in case of emergency. Michelle belongs to the food program. There are a couple of large dogs in the home who do not have contact with the children. Michelle has a play-based program that is guided by the children. There is a fenced in back yard for the children to play in. There is also a swimming pool in the yard that is appropriately fenced. The daycare children do not use the pool.

2. Identify Observed Strengths Of The Program

Michelle and Michael are experienced providers who are knowledgeable of child development. There are a large number of

toys and activities for all ages the children to do indoors, including books, puzzles, blocks, Legos, crayons & markers, art & crafts.

3. Identify The Aspects That Fall Below The Standard

110.8 (1) c : Combustible materials are kept away from furnaces, stoves, gas dryers, or water heaters by a minimum of three feet.

There were combustible materials within three feet of the furnace and water heater.

Each smoke detector is tested monthly, and a record is kept for inspection purposes.

The provider has no documentation of testing the smoke detectors since May 2025.

Fire and tornado drills are practiced monthly and documentation kept on file for the current year and previous year.

The provider has no documentation of completed fire and tornado drills since May 2025.

110.9 (4) c : A signed medical consent from the parent authorizing emergency treatment.
110.9 (4) d : For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.
For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian or admission physical examination that is not more than 12 months from the child's first day.
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of statement of health or admission physical.
110.9 (4) g : A signed and dated immunization certificate provided by the state Department of Public Health.
110.9 (4) h : Written emergency plans for children with allergies. Must accompany child if away from facility.
110.9 (4) i : Documentation signed by the parent which names persons authorized to pick up the child, their telephone number, and relationship to the child.
110.9 (4) j : Written permission from the parent(s) for their child to attend activities away from the child development home.
110.9 (4) k : Injury report forms to document injuries requiring first aid or medical care.

Several of the children need updated documents in their files.
