CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Samantha has been providing registered child care since 2005. Samantha accepts children aged infant through school age. Samantha is available for care Mondays through Fridays from approximately 5:30 a.m. - 4:30 p.m. Samantha is a pet friendly home that offers a play based environment for children. Samantha works with children on social skills including sitting still, taking turns, and using your words to express feelings and problem-solve. Samantha does have a schedule in place daily for children, however, does not provide a structured educational or preschool component. Children learn through play and social interactions with each other.

2. Identify Observed Strengths Of The Program

Samantha believes her greatest strength is being a friend to the children and just being there for them. Samantha works well with parents of children in care, communicating with them when there are things to discuss about their children,. Samantha maintains her paperwork in an organized manner making annual compliance visits easier to locate required items. Samantha's home is appropriate and offers children a safe place to learn and grow.
