Kelli has 2 dogs and a cat and she could not locate any of the updated pet exams. They also need to be on the

approved HHS form. This worker did provide her a copy of the appropriate form for documentation purposes.

441 IAC 110.8(1)“q” The provider shall have written policy and procedures for responding to health-related emergencies.

I encourage you to work with Rachel Bonefas from Child Care Resource and Referral with any ongoing compliance or training needs.

Corrective Action Required:

Kelli needs to locate or obtain annual pet exams on the approved HHS form. This worker did provide her the form for documentation purposes. This was also an area out of compliance at last year's annual check, so Kelli does need to send pictorial verification when obtained.

Kelli needs to locate or develop a written policy and procedure for responding to health-related emergencies. This was also an area she was out of compliance with at last year's annual check and she did not send pictorial verification as requested. Kelli does need to send pictorial verification when this is completed.

Kelli needs to obtain a physical exam for herself on the approved HHS form. She was also out of compliance in this year at last year's check. She reports that she does not have insurance. this worker encouraged her to reach out to the CCR&R nurse consultant to see what resources might be available in her community. This worker does request she send pictorial verification of the exam form when completed.

Kelli needs to work with the parents to obtain all of the required documentation for her children's files. This worker did review with her the documentation that is required and provided her a handout as well.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 319-429-0749 or christy.weber@hhs.state.ia.us if you have any questions regarding this letter.
