Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home A conducted on 08/08/2024. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1) **Facility Requirements**

441 IAC 110.8(1)"a" The home shall have a nonpay, working land-line or mobile telephone with emergency numbers posted for police, fire, ambulance, and the poison information center. The number for each child's parent, for a responsible person who can be reached when the parent cannot, and for the child's physician shall be written on paper and readily accessible by the telephone. The home must prominently display all emergency information, and all travel vehicles must have a paper copy of emergency parent contact information

441 IAC 110.8(1)"h" The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer's recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes

441 IAC 110.8(5) **Safe Sleep**

441 IAC 110.8(5) "a" The provider shall follow safe sleep practices as recommended by the American Academy of Pediatrics for infants under the age of one.

a. Infants shall always be placed on their back for sleep.
b. Infants shall be placed on a firm mattress with a tight fitted sheet that meets Consumer Product Safety Commission federal standards.
c. Infants shall not be allowed to sleep on a bed, sofa, air mattress or other soft surface. No child shall be allowed to sleep in an infant seat, car seat, swing, bouncy seat, or items not designed for sleeping.
d. No toys, soft objects, stuffed animals, pillows, bumper pads, blankets, or loose bedding shall be allowed in the sleeping area with the infant.
e. No co-sleeping shall be allowed.
f. Sleeping infants shall be actively observed by sight and sound.
g. If an alternate sleeping position is needed, a signed physician authorization with statement of medical reason is required.

441 IAC 110.9 Files

441 IAC 110.9(1) A provider file is maintained and shall contain the following:

441 IAC 110.9(4) Children's Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:

a. Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.

b. Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child's regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency.

c. A signed medical consent from the parent authorizing emergency treatment.

d. An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician

1. The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home.

2. The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.

3. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.

4. The examination report or statement of health status shall be on file before the child's first day of care

e. For children under the age of 6,a statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.

f. For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.

g. A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.

h. For any child with allergies, a written emergency plan in the case of an allergic reaction. A copy of this information shall accompany the child if the child leaves the premises.

i. Documentation that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.

j. Written permission from the parent for the child to attend activities away from the child development home.**k.** Injury report forms documenting injuries requiring first aid or medical care

l. If the child meets the definition of homelessness as defined by section 725(2) of the McKinney-Vento Homeless Education Assistance Act, the family shall receive a 60-day grace period to obtain medical documentation.

Findings:

1. 110.8(1)a The provider's emergency contact information for parents is not up to date.

2. 110.8(1)h The provider does not have a smoke detector in the hallway area.

3. 110.8(5)a Safe Sleep:
-The provider allows an infant, under 12 months, to nap on the floor on a blanket.

4. 110.9(4) Children's Files:
-The provider needs current physicals/statements of health for all enrolled children's files.

Suggestions/Recommendations:

The provider needs to provide photos to SW Bailey by 9/1/2024 showing that a smoke detector has been added to the hallway area. SW Bailey will do an unannounced visit to follow up on the Safe Sleep violation. All other issues out of compliance will be reviewed at next year's compliance visit.

I encourage you to work with Tabitha Copeland from Child Care Resource and Referral with any ongoing compliance or training needs.

Tabitha can be reached at: 563-362-8228

Corrective Action Required:

1. The provider needs to update emergency contact information for each child on the form that is posted in the home.

2. The provider needs to add a smoke detector to the hallway area and text a photo to SW Bailey by 9/1/2024.

3. The provider signed a safety plan agreeing to follow all safe sleep guidelines and to cooperate with CCR&R and CCNC. SW Bailey made a referral to CCNC and CCR&R for safe sleep.

4. The provider needs current physicals/statements of health for all enrolled children. This will be reviewed at next year's compliance visit.

Addendums:

- Addendum1: Referrals were made to CCR&R and CCNC for Josie Shirts regarding safe sleep by SW Bailey.

  On 8/14/2024 Tabitha Copeland of CCR&R met with Josie. Tabitha provided Josie with a sleep sack and safe sleep resource materials.

  On 8/28/2024, Nancy Granaman, CCNC, met with Josie. Nancy reported they went over the safe sleep checklist and she did observe a crib with a tight-fitting sheet, however, the infant in care was not sleeping during her visit. Nancy also reported that Josie is scheduled to attend a Safe Sleep training in October.

This Addendum is approved by supervisor on 11/5/2024 3:08:46 PM

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 319-800-4702 or hbailey@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,

Holly Bailey
