CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Kouaba Diempeu Sapohi is a CDH Category A provider, living in West Des Moines. She has been a registered daycare provider since 2024. Kouaba Diempeu Sapohi lives in a 2 story house and uses the basement area for her child care operation. Kouaba Diempeu Sapohi has an egress window in her basement but does not currently have permanent steps. If she applies to move to a category B or C and plans to continue to use her basement area, she will need permanent steps prior to becoming one.

2. Identify Observed Strengths Of The Program

Kouaba Diempeu Sapohi was organized for our compliance check. At the time of my compliance visit, Kouaba had one child present who was 2 1/2 years old. Kouaba also watches a 1 1/2 year old. Kouaba said the daycare children like to read books, watch movies, play with toys and play at the park. Kouaba said she uses "take a break" for discipline. Kouaba participates in the food program. We reviewed all safe sleep regulations. She has pack and play for infants. Kouaba offers 24 hour care but is not currently watching anyone overnight.
