1. Basic Overview

Dawn has been providing child care for approximately 19 years now. Dawn accepts children aged six weeks through school aged and is available for care Mondays through Fridays from 7:30 a.m. - 5:30 p.m. Dawn provides a play based environment for children in her care where she integrates learning activities through normal play and social interactions.

2. Identify Observed Strengths Of The Program

Dawn believes her greatest strength in working with children is that she genuinely loves them as if they were her own children. Dawn states that she really bonds with all of the children in her care. Dawn works hard to do everything she can to ensure that kids in her care have the 'best day possible'. Dawn has a large variety of age appropriate toys available to

children in her care, including dramatic play/dress up, and small motor skill activities.

3. Identify The Aspects That Fall Below The Standard

Number for each child's parent, a person who can be reached when the parent cannot and child's physician is written on paper and readily accessible by the working telephone.
110.8 (1) e : An annual laboratory analysis shows satisfactory bacteriological quality if a private water supply is used. Nitrate analysis when children under 2.
If water is determined unsuitable for drinking, commercially bottled water or water treated and approved by the health department is provided.
110.8 (1) r : Certificate of registration is displayed in a conspicuous place.
The first-aid kit shall, at a minimum, include adhesive bandages, bottled water, disposable tweezers, and disposable plastic gloves.
110.8 (4) b : Procedures are in place for:Evacuation to safely leave the facility,Relocation to a common, safe location after evacuation,Shelter-in-place to take immediate shelter where the child is when it is unsafe to leave that location due to the emergent issue,Lock down to protect children and providers from an external situation,Communication and reunification with families,Continuity of operations, andProcedures to address the needs of individual children, including those with functional or access needs.
110.9 (1) b : Documentation from the Department confirming record checks have been completed and authorizing or limiting the person's involvement with child care.
110.9(4) : An individual file is maintained for each child and updated annually or when there are changes. Each file contains:
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
110.9 (4) g : A signed and dated immunization certificate provided by the state Department of Public Health.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

Dawn needs to update emergency numbers to include all enrolled children.
Dawn needs an updated water sample taken within the last year.
Dawn needs to post her new certificate of registration.
Dawn needs to send verification of first aid kit containing bandaids, bottle of water, gloves, and tweezers.
Dawn could not locate her Emergency Preparedness Plan. This worker assisted Dawn in completing the plan during the visit. Nothing further is required for this area.
One of Dawn's enrolled children does not have a file and needs all enrollment forms, physical and immunization certificate. A few other children need updated enrollment forms (signed and dated within the last year) and updated physicals and immunization certificates.

Dawn will send verification of the above items to Kathy by 12/17/2026. Items can be emailed to kathy.huinker@hhs.iowa.gov or texted to 563-949-6971.

5. Special Notes/recommendations

Targeted compliance of Emergency Preparedness Plan completed. Plan remains accurate and up to date.
