CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Densie is a category A provider who has over 32 years of experience providing childcare. She provides care on main level of the home. There is a fenced in backyard for the children to play in. She belongs to the food program. She is not taking any new children and is in the process of phasing out of business.

2. Identify Observed Strengths Of The Program

Denise is an experienced provider who is knowledgeable of child development and behaviors. Her home is clean and well-organized, with no safety concerns. She provides the children with a variety of activities to do in doors. In the backyard there is a slide and swings, and a wooden structure for climbing as well as rocking horses and a playhouse.

3. Identify The Aspects That Fall Below The Standard

All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites. Form 470-5153, Pet Health Examination Veterinary Health Certificate, is on file.

One of the provider's pets needs an updated physical examination.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance
