3. Identify The Aspects That Fall Below The Standard

Number for each child's parent, a person who can be reached when the parent cannot and child's physician is written on paper and readily accessible by the working telephone.
110.8 (4) a : Emergency and disaster plans for fire and tornado are written and posted by primary and secondary exits. The plans shall clearly map building evacuation routes in case of fire, a safe place indoors in case of tornado, and flood shelter areas.
Fire and tornado drills are practiced monthly and documentation kept on file for the current year and previous year.
110.8 (4) b : Procedures are in place for:Evacuation to safely leave the facility,Relocation to a common, safe location after evacuation,Shelter-in-place to take immediate shelter where the child is when it is unsafe to leave that location due to the emergent issue,Lock down to protect children and providers from an external situation,Communication and reunification with families,Continuity of operations, andProcedures to address the needs of individual children, including those with functional or access needs.
110.9 (4) d : For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.
For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian or admission physical examination that is not more than 12 months from the child's first day.
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of statement of health or admission physical.
110.9 (4) f : For each school-age child, record of a physical exam completed at the time of school enrollment or since.
110.9 (4) g : A signed and dated immunization certificate provided by the state Department of Public Health.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

1. Number for each child's parent, a person who can be reached when the parent cannot and child's physician. CCR&R can help provide orange cards
2. Floor plan maps need hung by each exit on the main floor.
3. Fire and tornado drills need practiced monthly. Record of these drills need kept for inspection purposes.
4. Emergency preparedness plan needs to be completed for this address. This plan addresses evacuation, shelter in place, and lock down procedures. I would encourage you to work with CCR&R.
5. Please review all daycare children files to ensure they have the required documentations- emergency contact information, pick up and drop off information, emergency medical consent, current physical and immunization records. Physicals need updated yearly.

5. Special Notes/recommendations

I encourage you to continue working with Heather Sheesley from Child Care Resource and Referral for any ongoing compliance or training needs. Heather can be reached at 515-360-7308.

Weptears and I reviewed all safe sleep regulations.
