Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home A conducted on 06/25/2025. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

a. Infants shall always be placed on their back for sleep.
b. Infants shall be placed on a firm mattress with a tight fitted sheet that meets Consumer Product Safety Commission federal standards.
c. Infants shall not be allowed to sleep on a bed, sofa, air mattress or other soft surface. No child shall be allowed to sleep in an infant seat, car seat, swing, bouncy seat, or items not designed for sleeping.
d. No toys, soft objects, stuffed animals, pillows, bumper pads, blankets, or loose bedding shall be allowed in the sleeping area with the infant.
e. No co-sleeping shall be allowed.
f. Sleeping infants shall be actively observed by sight and sound.
g. If an alternate sleeping position is needed, a signed physician authorization with statement of medical reason is required.

If an alternate sleeping position is needed, a signed physician authorization with statement of medical reason is required.

Suggestions/Recommendations:

A recheck is not needed at this time. The below correction needs to be completed immediately and should be used at all times an infant is sleeping. Drop in checks could occur to ensure Safe Sleep policy is being practiced.

I encourage you to work with your Child Care Resource and Referral Worker (Heather Sheesley 515-360-7308) with any training or compliance efforts.

Corrective Action Required:

1. When this compliance worker arrived for the unannounced visit Safe Sleep was not being practiced for an infant younger than 12 months. The infant was sleeping on a blanket and an additional blanket was in the pack and play. When prompted you corrected situation immediately. We reviewed Safe Sleep practice. You signed a safety plan related to Safe Sleep. This worker will make a referral to your Child Care Resource and Referral Worker to review Safe Sleep policy.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 515-601-9469/jake.aringdale@hhs.iowa.gov if you have any questions regarding this letter.

Sincerely,

Jake Aringdale
